

The following collation comparing the Robinson-Pierpont Byzantine Textform 2005 edition (hereafter Byz05) and the Antoniadès 1904/1912 Patriarchal edition (hereafter Antoniadès) was prepared electronically, with complete checking and verification by Maurice A. Robinson and Jussi Ala-Konni.

Unless otherwise specified, the Antoniadès 1904 edition agrees with its corrected 1912 reprint. Entries marked as "(sic)" indicate errors, typographical or syntactical, as well as otherwise questionable readings that appear in one or both of the Antoniadès editions.

COLLATION FORMAT:

BYZ05] ANTONIADES

Lu 17:36 Byz05 contains no text.

Ac 8:37 Byz05 contains no text.

Ac 15:34 Byz05 contains no text.

Ac 24:7 Byz05 contains no text.

There are 1554 differences between Byz05 and the Antoniadès 1912 corrected edition. Due to various errors or alternate variants, the Antoniadès 1904 edition contains 6 erroneous readings, as well as agreement with Byz05 in 2 instances; thus there exists a net difference

of 4, giving a total of 1558 differences for the Antoniades 1904 edition.
